User Registration (For roles – Editorial Board Members, Editor-in-Chief, Reviewers, Authors)

Steps:

2. Click **Register**

3. Select **User Origin** from the list provided

4. Once selected, username and password field will appear
5. Enter username and password then click Validate

6. Once the validation is successful, fill in the rest of the information and click Submit
7. Once the registration is successful, you can login and use the system

8. By default, all the newly registered users will have the Author role unless journal editors assign a registered user to other roles.
